Stitch Guide:

Main Color (MC)

Contrast Color (CC)

Border stitches can be of your choosing. You can simply knit all B stitches if you like.

Keep your backside tidy by catching the unused color with the working yarn if there are more than two stitches between the colors.

You'll be dropping the CC before you reach the border stitches then picking it back up. You will NOT be carrying the unused yarn up the sides.

It's easy to knit this too tight. Be conscious of this.

CC prior to the K or P will indicate that stitch is to be done with the contrast color. All others without a CC will be done with MC.
